What type of flooring is in your house?

What is your pet's current activity level?

Does your pet require assistance with any of the following activities?

- Walking
- Getting up
- Getting into car
- Getting onto couch/bed
- Urination/defecation positioning
- Stairs

Cancellations, Late Arrivals, and Missed Appointments Policy:

We request that in situations requiring appointment cancellation that we receive notice prior to 6pm the day before the appointment. This allows us to provide that time slot to another pet in need. Cancellations that occur after 6pm the day before the appointment will incur a cancellation fee.

Appointments for late arrivals will be shortened to meet the scheduled completion time unless time is available to enable an extension.

Appointments arriving more than 10 minutes late may need to be rescheduled to avoid disrupting the appointments of other patients.

We understand that emergencies arise and appreciate you keeping us informed of unforeseen circumstances.
